

STONE DEFENDER DISINFECTANT CLEANER.

Defend and protect your stone countertops
with our professional-grade cleaner.

- Safe for all stone including Granite, Quartz, Marble, Quartzite and Porcelain
- Kills bacteria
- Protects against virus transmission, including COVID-19
- Delivers a next-level shine
- Eliminates streaks
- Unscented
- Improves sealer performance
- pH balanced
- Non-waxy
- Non-abrasive

For effective defense against bacteria and viruses,
spray on countertops and leave undisturbed for 10 minutes. Then, wipe clean
with a paper towel. Follow with a polishing cloth or use our **Stone Brilliance Polisher**.
